

March 10, 2020

Dear Parents,

Thank you for your interest in our program. We eagerly welcome your child into our program and are excited to team with you to help your child grow physically, mentally, emotionally, socially, and spiritually. We count it a blessing to be able to serve your child and your family.

Please note that spots in our programs are limited, and students will be accepted on a first come first serve basis. In order to be considered 'fully registered' for the school year, you must have submitted the following items:

When returning forms, please bring the following items:

- _____ Registration packet submitted in its entirety
- _____ Registration fee paid in full
- _____ Current Immunization Record
- _____ Health Care Professional Statement
- _____ 2019-2020 tuition is current and no fees are owed (current students)
- _____ Food Allergy Care Plan (if your child has a food allergy and needs an epinephrine pen at school, this plan must be completed and signed by your child's doctor.)

Please note Summer Fun Days registration form is included on the main form. For example, if you are registering for MDO and SFDs you only need one form, you just need to check the appropriate boxes to the top. If you have any questions regarding enrollment for the 2020-2021 school year, please give us a call.

Sincerely,

Tanya Alloway
First Steps Preschool Director

Tara Pike
First Steps MDO Director
