

Dear Parents,

We are so excited about the new school year! Please join us as you schedule to meet your child's teacher and visit his/her classroom. Please bring school supplies and any additional paperwork that is needed for your child's registration. You will receive the COVID Addendum to our Operational Policies at this time too. At this point, we hope we will not have to use it; however, we wanted you to be aware of it, in case it goes into affect. An online copy will be available on our website.

We look forward to a fabulous year!
