navigating spiritual life

# live . learn . launch

Our goal at First Baptist Church is to equip you to be the primary spiritual leader in the home. We want to partner with you to follow our age specific programming that encourages and challenges you and your family to take that next step in spiritual development.

## TRUST

### Trust God with Your Child

As much as you love and care for your children, no one can love and care for them like God can.

*We want to join you in celebrating this new blessing in your family by dedicating your child to the Lord in one of our services. We'll also provide loving, skilled workers to care for your child.*

Proverbs 3:5-6

## BUILD

### Build a Foundation for Faith

It's key during this time that you help set the stage for faith. Build into your children the truth that God knows them intimately and loves them dearly.

*Our preschool department helps you in framing a foundation of faith for your child through engaging ministries customized specifically for this special and unique life stage.*

Deuteronomy 6:7-8

## SHARE

### Share the Gospel with Your Child

Talk with your kids about the good news of Jesus. Tell them your story of salvation and show them the gospel with your life.

*It's a priority for our children's ministry to partner with you in this endeavor. We present Bibles to kids early on during their time at FBC so they can begin to read the good news for themselves. The gospel of Jesus is at the heart of all we do.*

Mark 16:15

## CONNECT

### Teach Your Child To Connect with God

Helping your children develop a relationship with God is a vital element in their spiritual development. Guide them as they learn how to establish Bible reading and prayer as part of the rhythm of their lives.

*Whether it's a Sunday school class, a worship time or a special event, our ministry to kids is aimed at helping them foster a personal relationship with Jesus Christ.*

John 15:5

## TRAIN

### Train Your Child to Serve

Training your children to serve God and others is simply training them to be like Jesus. Help them see the needs of those around them. Provide opportunities for them to minister to others. Look for chances to serve together as a family.

*Our student ministry is committed to helping train youth to grow a faith that lasts. Serving is in the DNA of our student ministry. We offer opportunities from within the church to across the globe.*

Proverbs 22:6

## BLESS

### Bless Your Child to Go

Give your children the freedom to go and use the gifts God has given them to build His kingdom.

*The desire of our college and young adult ministries is to help bridge the difficult transition from youth to adulthood. We'll partner with you and surround your child with a caring community while encouraging and challenging your young adult through practical Bible teaching with many opportunities to live out their faith.*

I Timothy 4:12
