What is Bible Drill?

Bible Drill focuses on teaching & equipping children to learn God's Word, to develop skills to successfully navigate & handle the Bible, and to apply the Bible to their lives. Our intent is that children hide God's Word in their hearts; if a Driller learns just one verse and is able to apply that verse to his/her life, then we count that as a success. We never want a child to feel overly pressured or stressed about keeping up with the assigned verses/Key Passages. Learning God's Word is an incredible tool for a child to grow in his/her faith, and it is our desire that Bible Drill provide an encouraging environment in which to do that.

What to Expect:

- Your Bible Driller will receive a folder with many important papers. Your child is responsible for keeping up with that folder and bringing it to Bible Drill each week. The Verse Schedule included in that folder will tell your child which verses/Key Passages to learn each week.
- Each week, your child will have assigned verses/Key Passages to memorize. When he/she arrives to Bible Drill, helpers will be ready to listen to Bible Drillers say the assigned items.
- Drillers will receive Bible Bucks for attendance and for reciting verses, Key Passages, and Books of the Bible. Bible Bucks can be redeemed at the end of the year in the Bible Drill Store. It is your child's responsibility to keep up with Bible Bucks throughout the semester.
- Each week, leaders will have games & activities prepared. Drillers will be divided into groups and will go through different rotations to reinforce verses and Books of the Bible.
- Please Note: your child does not need to memorize the entire Key Passage, just the name of the passage and its reference.

Helping Your Child Succeed

Your encouragement and support will help your child learn the assigned verses each week! There are several ways you & your family can work together to learn verses:

- Listen to the provided Bible Drill CD. Music is a great way to help verses 'stick'—play the CD in the car as you drive to/from school, practice, etc.
- Write verses on sticky notes & hang them on the bathroom mirror, inside a school locker, or anywhere else you spend a lot of time!
- Challenge each family member to memorize a verse first—a little friendly competition with mom or dad can sometimes give extra motivation.
- Come up with motions that go along with the verse.

Important Dates

Only 4th-6th graders will participate in the Church and Championship Drills, but we'd love for you and your 1st-3rd grader to attend a drill & support those who are competing.
