

All God's Children Sing

Keep on Singing Elementary DEVOTIONAL

Scripture

All you people of the earth, sing to the LORD. *1 Chronicles 16:23a (NIRV)*

Devotional

God is good and deserves our praise! When we sing together as a choir, we are praising God. When we sing when we are alone, we are also praising God. There are people all around the world who love the Lord and sing praises to Him.

Set a goal this week to write down the good things you see God doing around you. Say a prayer of praise for each one!

Prayer

Dear God,
Help us to find time every day to see the good things You have done. Help us remember Your love for us and all people around the world. Thank You for giving us voices to sing praise to You, whether we are together or apart.
In Jesus' name, Amen.
